BILL NO. SB348

Requested by Senator Jeff Essmann

For the House Free Conference Committee

Prepared by Sheri Heffelfinger
April 16, 2009 (10:10am)

1. Page 1, line 26.

Strike: "to increase or decrease an appropriation or"

Insert: "that appropriates money or a bill"

2. Page 1, line 29 through line 30.

Strike: "primarily" on line 29 through "reconciliation" on line
30

Insert: "a general session"

3. Page 2, line 11 through line 14.

Strike: line 11 through line 14 in their entirety

Insert: "[] FOR splitting the current legislative session into
two annual sessions limited to a total of 90 days with one
budget session and one general session.

[] AGAINST splitting the current legislative session into
two annual sessions limited to a total of 90 days with one budget
session and one general session."

- END -

Explanation - This amendment is what the FCC requested yesterday. However, the code commissioner said that "splitting" is not accurate because there is no provision that would prohibit the legislature from using all 90 days in one of the sessions. See amendments SB034812.ash and SB034813.ash for other options.

Note - The title does not need to be changed because it accurately reflects the substance of Section 1.
